- Student Center – Personal Number
- Student Union – Personal Number
- SGS – Chalmers/GU Mail & Personal Number – Extra Queue Time
 - At the first opportunity you get 3 months extra queue time and then 1 month extra for each semester you pay your union fee. This is automatically cleared with the unions once a week.
 - If you do not have a Swedish personal identity number, the email address we have must be the same as the email address registered at the student union, otherwise the application will not be updated with extra time in the queue.
 - Queue time can never be given retroactively, but only for the semester stated in the file sent from the union.
